## OCTOBER 2022 NEWSLETTER

### ***Hello Residents,***

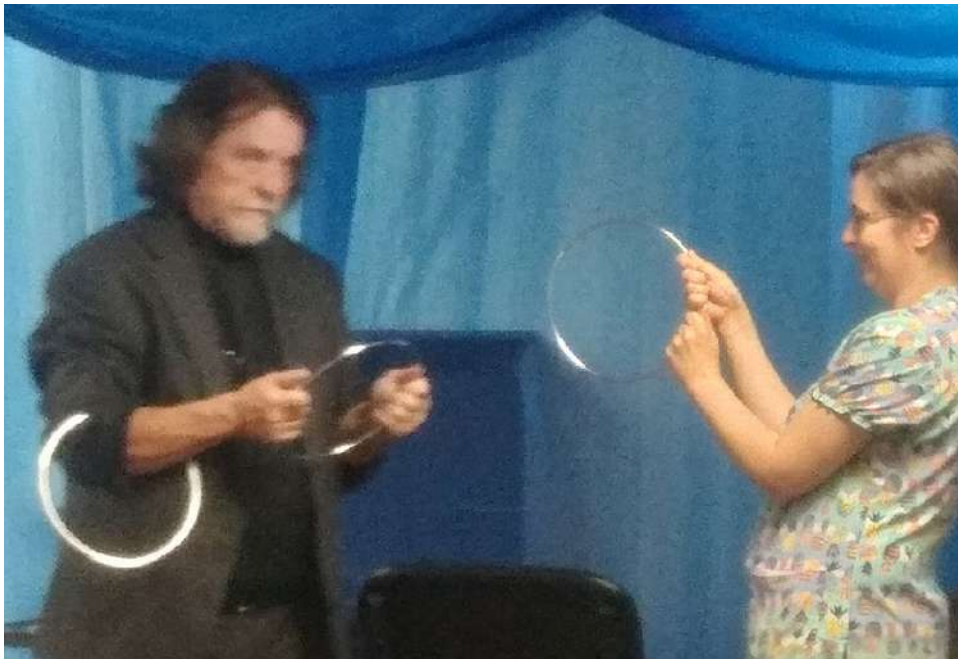

October is here, and God's coloring book is filling with beautiful shades right before our eyes! The autumn colors will be breathtaking, and Regency Retirement Village will come alive in various ways.

To name a few, Regency Retirement Village provides several opportunities to engage socially, physically, and religiously. We offer two different religious services - a Sunday service and a mid-week service. Exercise classes are offered several times a week and encourage social engagement. Or one can work out in the exercise room located on the third floor. Movement makes the body better, and Regency has you covered!

Share exceptional living, and your friends deserve it! Friends Make the Best Neighbors is Regency Senior Living's resident referral program. If you or a family member is a Regency resident, you may know others who might enjoy the exceptional care and service the Regency provides.

Everything from delicious meals and social activities to freedom from home maintenance! We would love to meet your friends and invite them to enjoy the lifestyle that led you to us. When your friend becomes your neighbor, after they have lived with us for 60 days, we will thank you by giving you one month of FREE rent or a check for \$2500, whichever you prefer.

## County Fair— Greatest Magic Show on Earth

We had a magic act performed by a hired magician who took volunteers from the audience to help do magic tricks that left you speechless. He was comical too, he made sure to work the crowd!

## County Fair— Carnival Food

During the County Fair, we served hot buttered popcorn, funnel cakes made right there on the spot, and cotton candy!

## County Fair— Midway Games

The residents got to try their luck at some carnival games! We had a ring toss game where you throw rings around bottles, and a can game where you try to knock all the cans over. We also had a tic-tac-toe game where you throw plastic balls in a row. All residents that played received prizes for their participation!

## Birthday Party

We had our monthly birthday party and served German chocolate cake, strawberry cake, and devil's food cake, all with ice cream. We shared who all had birthdays that month, then sang Happy Birthday to them. It's great to be recognized and to feel special once in a while!

## National Police and Ambulance Day

We are going to recognize first responders with a lunch including sandwiches, chips, and drinks to show how much we appreciate them.

## Chocolate Cupcake Day

We are going to serve our residents some chocolate cupcakes and read some fun facts about chocolate.

## Southern Food Heritage Day

We are going to serve our residents some good ol' southern fixin's. A lot of our tourists come to our area to experience southern cookin', sometimes seeing as we live here we take it for granted! So bring your appetite for some southern comfort foods.

## Halloween Costume Ball

We are going to throw a Halloween party for the residents! We will have some spooky refreshments that would tempt even the scariest of monsters. We will also have some Halloween songs for our ghouls to get up and dance to!

## Halloween Movies

The Regency Theater will be showing some of the best Halloween movies to prepare you for Halloween night. Popcorn, boxed candies, and sodas will be served for you to enjoy (if you dare)!

## Halloween Bingo

To spice up Bingo for the month of October, we will be changing up some of our Bingo games. When we have a winner there will be lights flickering and the sounds of ghosts. Come prepared to get scared!

## Halloween Crafts

There is nothing like Halloweentime when you can make all kinds of cute Halloween crafts to decorate your home. Come and join us for some colorful fun crafts. Happy Halloween!

## Elizabeth Lewis

Elizabeth has been a resident here for a while now!

She loves Hobby Lobby and Walmart, and looks for neat things and good deals wherever she can find them. Elizabeth loves animals and her pet dog.

She also loves baskets, specifically how they are made with their different shapes and textures. Elizabeth was a librarian and romance novels are her favorite. She and her husband traveled so much during the years they were together.

We love you, Elizabeth!
